Stainless steel exterior. Retains attractive finish longer. Matching aluminum finished back.

Rounded corner design inside of the cabinet makes it easy to clean the inside storage room.

Standard door features: Positive seal self-closing doors with 90 degrees stay open feature.

Refrigeration system holds 33F to 41F.

Electronic control system: Adjustable temperature set point and defrost frequency. Error codes to diagnose service issues.

Shelf: Adjustable, heavy duty PVC coated shelves.

Standard heavy-duty castors make it easy to move and clean underneath.

1449 Richmond Terrace, Staten Island, NY, 10310
