

Twin Power Lowboy Freezer 29"

Model #: TUC29F

Doors: 1

Shelf: 1

Shelf Clip: 4

Castor w/ Brakes: 2

Caster: 2

Rated Current: 2.5

Temp Range: 33-40F

Capacity: 8

Precision Temperature Control:
The CAREL digital temperature controller allows precise adjustment within a specified range (-8~-1°F) for maintaining optimal freezing temperatures and makes it easy to read and adjust the temperature.

Advanced Defrost System:
Automatic defrost function and heated door frame prevent frost buildup, ensuring consistent cooling performance.

Space-saving Storage: The undercounter freezer maximizes storage and organization with adjustable shelving and a spacious interior, capable of holding up to 155 lbs, helping you organize your ingredients. This design is perfect for busy environments where space and efficiency are essential.
