American stylish counter with a modern aesthetic.

Aluminum with an inner pre-coat and an outside made of SS430.

Doors that can be turned either way and that automatically shut when they are not fully opened.

Curved sides on the inner box make cleaning easier.

Without the need for equipment, the magnetic sealing strip easily removes and retains the cold air within.

Italian digital thermostat brands Dixell, Carel, and Eliwell are well-known.

Superior and well-known compressor: Embraco Internal LED light.

1449 Richmond Terrace, Staten Island, NY, 10310
