

Twin Power 5 FT Salad Bar

Model #: TSSP60M

Dimensions: 57 X 23.4 X 28.63

Capacity: 18 cu ft.

Temp Range: 33F – 40F

Refrigerant: R290

Voltage: 115V/1/60Hz

HP: 1/5

Plug Type: NEMA 5-15P

Accurate Temperature Control: The CAREL digital temperature controller is easy to use and provides accurate temperature control within a predetermined range (33–40°F) to maintain ideal temperatures. **Advanced Defrost System:** Consistent cooling performance is ensured by the automatic defrost function, which avoids frost accumulation. With caster wheels and wheel brakes for stability, the salad bar refrigerator is made for effortless mobility. It is easier to use and more accessible because to its two rubber anti-collision blocks that increase heat dissipation, its five-inch wheels that make cleaning simple, and its two self-closing doors that automatically close when they get below ninety degrees.
