

Twin Power Double Swing Glass Door Cooler

Model #: SC1390F

Capacity: 44.7 Cu. Ft.

Temp Range: 32-44F

Refrigerant: R290

Defrost: Automatic every 6 hours

Voltage: 115V/1/60Hz

Dimensions: 49 3/8 X 27 5/8 X 60 3/8

Plug Type: NEMA 5-15P

For long-lasting quality, this refrigerator has double hollow tempered glass.

This design offers enhanced durability for long-lasting performance in addition to improved temperature retention.

To keep your food fresh as the day it was stored, a tight seal is ensured by the additional magnetic gasket.

By minimizing condensation and ensuring that the interior is uniformly chilled for better preservation, the dynamic fan cooling system uses less energy.

It actively avoids water buildup with its heating components surrounding door frame, assuring a dependable and effective functioning while preserving the best conditions for your store item.
